- Wristbands were ordered and received already. The total cost was \$201.53. I ordered 4000 EVMHA and 500 Raiders (as per the motion) and ended up with 8000 EVMHA wristbands and 1000 Raiders (for no additional cost). I don't mind keeping them and distributing them as needed. Whatever is easiest?
- On Sunday Oct. 17 I am hosting an exhibition game scheduling meeting for U7 and U9 managers from EVMHA, FMHA, and the CNP. Each team will schedule one home and one away game. Besides the schedule we will also discuss the rules, game format, travel permits and roster balancing.

Report Submitted:

- The Ice practice schedule is final for the season. I had to give back some ice we were not using due to no U18 team and only one U15 team. The DOS and DOE were both very accommodating. They did say that this will not impact our request for ice in future years if we need these ice times again.

motions to accept Board reports. Seconded, all approved

OLD BUSINESS

1. ViaSport Grant- Tiffany will follow up Tamarra hasn't signed on. Jennifer also mentioned that we haven't seen financials since August.
2. Request for donation from Teck- Crystal asked for \$10,000 for all the teams, they asked what we would use the money for and Crystal has just replied.
3. Ref Coordinator Position- no one interested yet, Fernie is going to vote on the position also. We discussed charging a fee for outside teams wanting us to book refs for them. Tamarra still needs to look into whether we would have to submit taxes etc because it is a paid position. Kristy stated she does have a lead on someone who may be interested. Speaking of refs we will reach out to more 12 year old and the U18 kids who aren't playing. And Paying cash right after the games.

NEW BUSINESS

1. Team Snap charges (Crystal)
 - Team Snap charging huge fees for every transaction. We need to make sure that we uncheck the box for each bill we send to parents. It is agreed that the association will pay any fees at the end of season not the parents. We will reverse those fees to the parents. We need the accounts set up again for each team because they went dormant. Crystal and Tamarra will go in and fix that this week.
2. Referee Fees/Mentor Fees/Referee Payments (when and method of payment)
 - Pay an older ref to help mentor the younger kids with their few first games.
 - Talk about paying cash right after each game. Ref- \$30, linesmen \$25, U7-U9- \$25
 - Was decided to pay the whole budgeted amount each game to whichever refs show up if there are less than 3. Travels fees will be etransferred end of each month.
3. Registration fees (all complete?) One family hasn't paid whole fees but Tamarra will reach out.
4. Hugh Twa- no concession in elkford.... Too much work and with covid. Discussed providing pizza for the kids after the games. We don't want to spend too much money, but decided on doing 2 raffle baskets one for the younger group and older groups. \$500 (\$250 each) for raffle baskets. Justine motions and Jillian seconds. All in favor. All names will be entered into the draws. Each team will keep an eye on everything. Talk about getting gaming license in time for the weekend. We will donate the proceeds to Canadian Cancer Society.
5. U11 tryouts completed.
6. Sarah checked that socks are included in fees. She has ordered and will hand them out.
7. Kristy suggested having a blanket covid plan to email to any visiting teams for games and tourneys for our home arenas.
8. Corolla's Crue- 50-50 will be donated to them that weekend
