

# EVMHA Player Movement Request

This form is required for any player requesting to play in a higher or lower division. It must be completed and submitted to the EVMHA president ([president@evmha.ca](mailto:president@evmha.ca)) and the EVMHA registrar ([registrar@evmha.ca](mailto:registrar@evmha.ca)) before October 1<sup>st</sup>. All approved applicants will undergo an evaluation process.

The ability to move a player to a higher or lower division depends on the following:

- The number of registered participants in each division.
- The skill level of the player compared to other youth in their requested division.
- The player's physical size with respect to other players in their requested division.

Please note:

- Players cannot move to a different division without the approval of the EVMHA. Players caught breaking the rules may be subject to suspension pending an investigation.
- Before approval, all applicants must remain in their appropriate age division as per Hockey Canada Guidelines.
