EVMHA Player Movement Request (Underage Players)

This form is required for any player requesting to play in a higher division. It must be completed and submitted to the EVMHA president (president@evmha.ca) and the EVMHA registrar (registrar@evmha.ca) before October 1st. Approved applicants may have to undergo an evaluation process.

The ability to move a player to a higher division depends on the following:

- The number of registered participants in each division.
- The skill level of the player compared to other youth in their requested division.
- The player's physical size with respect to other players in their requested division and whether it is considered safe for them to play in that division.

Please note:

- Players cannot move to a different division without the approval of the EVMHA. Players caught breaking the rules may be subject to suspension pending an investigation.
- Before approval, all applicants must remain in their appropriate age division as per Hockey Canada Guidelines.
